ANOTHER BIG AFFAIR.

Masons to Give Second Annual Barbecue and Picnic Twentieth of Next Month.

Cloverport Lodge No. 133, F. & A. M. will give a big barbecue and picnic sometime in the near future. The date will probably be about August 20 and the event will be pulled off, in all probability, in the Skillman woods east of town. The date and place however, will be decided later by the lodge and will be announced in these columns. This barbecue and picnic will be the second in a series inaugurated last year by the Masons. It will be remembered that the one held last year in the Skillman woods was one of the biggest affairs of the kind ever known in Breckenridge county. Thousands of people attended from all parts of this section of the State and there were many attractive and amusing features which entertained the crowds and brought money into the coffers of the lodge.

It is a well-known fact that when the local Masons start out to do a thing they do it on a large and grand scale, and there is no reason why their barbecue this year shouldn't equal, if not surpass, that of last year.

Very Remarkable Cure of Diarrhoea.

"About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller, of Morgan, Texas. I "got temporary relief, but it came back again and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by Short & Haynes.

Cannery About Completed.

Contractor J. M. Lewis, with a large force of carpenters, has about completed the canning factory. The sides and the roof are practically finished and the building is in shape for the installment of the machinery, which will be done in time for the packing season. The warehousing will be built when needed. The canning factory is another success of Mr. Lewis' along the architectural line. It is a model building of its kind and, like all contracts Mr. Lewis has had, is highly satisfactory to the promoters.

The tomatoes being grown by the farmers of this vicinity and at Tobisport seem in good condition and if the season continues good, there is little doubt but that there will be a sufficient yield to supply the cannery this summer.

No False Claims

The proprietors of Foley's Honey and Tar do not advertise this as a "sure cure for consumption." They do not claim it will cure this dread complaint in advanced cases, but do positively assert that it will cure in the earlier stages and never fails to give comfort and relief in the worst cases. Foley's Honey and Tar is without doubt the greatest throat and lung remedy. Refuse substitutes.—A. R. Fisher.

Testing Specimens of Clay.

Mr. Louis Lamont, the expert clay worker and decorator with the Murray Roofing Tile Company, has been testing specimens of clays found in this vicinity, in the test kiln at the Patton brick yard. He has tested quite a number of clays and has found that some of them have a high commercial value.

The work of converting the old Cloverport brick yard into a tile factory is being pushed every week as much as possible by Manager Murray. Some of the changes have been completed.

Mrs. Minerva Smith, Danville, Ill., writes: "I had bronchitis for twenty years and never got relief until I used Foley's Honey and Tar which is a sure cure."—A. R. Fisher.

First Visit in Sixteen Years.

Mr. Jas. Beavin, who lives about nineteen miles from Memphis, Tenn., is visiting his father, F. W. Beavin, near town. Mr. Beavin has a position as railroad agent in Tennessee and this is his first visit back to Cloverport in the past sixteen years.

CASTORIA.

The Kind You Have Always Bought Bears the Signature of

A woman worn-out, who never has to lift a hand for herself, who does not know the meaning of the word "worry"! How can it be possible? That it is possible is proved by the experience of many a woman who, because of sleeplessness, nervousness, backache and other womanly ills, becomes an utter physical wreck.

Dr. Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. It establishes regularity, dries unhealthy drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"I suffered for five years with inflammation which caused violent pain and often torture so bad at times that I could not be about to attend to my daily duties," writes Mrs. Julius C. Bell, of Railroad, Kingston, Ont. "Life was simply misery to me and I did not know which way to turn for relief. Had tried doctors but found they did not help me. My druggist advised me to try Dr. Pierce's Favorite Prescription—eulogizing it in glowing terms. I decided to give it a trial and brought a bottle home. I am happy to say that after the use of the first bottle I felt so much improved I decided to take another and after that a third bottle, I have good reason to be pleased, for I am today a well woman, work is easy and the world looks bright. I have perfect health, thanks to your medicine."

Sick women are invited to consult Dr. Pierce by letter, free. Address Dr. R. V. Pierce, Buffalo, N. Y.

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.

Boatner and Schlitzbaum Again.

Route Agent C. J. Abbott, of the American Express Company, was in the city yesterday for the purpose of consulting with Commonwealth's Attorney J. Edwin Rowe concerning the Boatner and Schlitzbaum cases, which will be called at Ohio county court the first week in August. There yet remains an indictment against each of the men. Schlitzbaum is charged with embezzlement and Boatner is charged with receiving stolen funds.

It is more than likely that the Commonwealth will move for a continuance on account of the absence of several important witnesses. A number of its witnesses will be on vacations during the month of August. Mr. Abbott left for Hartford yesterday.—Thursday's Owensboro Messenger.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. CLOVERPORT BOY'S LUCK.

Chas. A. LaHeist Wins Free Trip to World's Fair in Guessing Contest.

The following clipping from a Jeffersonville, (Ind.) paper will be of local interest as Mr. LaHeist is a former Cloverport boy.

"The Jeffersonville Athletic Club had 329 people on their excursion Tuesday night and, in point of excellence, it surpassed anything yet given by them. 'A swell crowd' was the general verdict and 'a swell time' was had by every one. The Louisville Military Band, one of the best in the country, furnished the music for the dancing. The steamer Columbia, the finest in the service, was as brilliant as scores of electric lights could make it, and enjoyment was unrestrained.

Miss A. J. Gilbert, of this city, and Mr. Charles LaHeist, of New Albany, were the winners of the tickets over the B. & O. S. W. road to St. Louis. Miss Gilbert guessed there would be 333 people on the trip, and Mr. LaHeist 325. Each missed the exact number by 4. The members of the club have cause to be satisfied with the evening's entertainment they furnished.
